**Full-time and part-time options:** We understand that campers may not be able to attend the full week of camp for any number of reasons. We have priced our part-time rates to accommodate these campers fairly. However, preference will be given to full-time campers when we assign housing. We will do our best to place part-time campers in their preferred tier, but they may need to be accommodating with regard to occupancy.

**Have questions?** Julianne Harden can help you find the lodging that suits your needs and preferences. Contact her at [housing@nordicfiddlesandfeet.org](mailto:housing@nordicfiddlesandfeet.org).

**Occupancy:** Campers registering at the adult, young adult, or non-participating adult rate need to indicate their preferred occupancy, which affects their registration rate and reflects the number of adult, young adult, or non-participating adult campers sharing a room or cabin.
